Social Story

(you are witnessing)

My Villain Era

Before the show

You can come into the theatre up to 30 minutes before the show starts.

You can pick your own seat.

Please don't touch anything on the stage.

If you have any questions the stage manager Frances will be in the space, and you can ask her.

6 Actors will play the characters in this story

Ella Hamilton will play 'Isabella'

Zackary Krupinski will play 'Chris'

Millie Young will play 'Jenny'

Glenn Fielden will play 'Buddy'

Arjun Samra will play 'George'

Sabrina Rahman will play 'Nikki'

Opening

6 characters sneak into the secret villain meeting.

They may make eye contact with you or bow to you.

They will never ask you to come onto the stage or respond to them.

They are excited, curious, and a bit nervous.

Welcome

The 6 characters introduce the secret villain gang.

They will explain the rules.

They explain that they will take it in turns to find their true villain self.

One member of the gang 'Nikki' doesn't want to be there. Her friend Jenny dragged her there.

Isabella

The character Isabella will go first to find her villain.

She creates sound using the loop pedal and she turns into a wrestling villain.

She fights off the other characters. She is powerful and angry and takes up space.

Chris

Next Chris will use the loop pedal to make villain sounds.

He explains that he fancies Jenny, but that he doesn't have the courage to ask her out.

He will turn into an arrogant, sexy, and aggressive villain.

He bullies his servants, and dances with the ladies, and is so arrogant that he rejects Jenny!

Jenny

Next Jenny will use the loop pedal to make villain sounds.

She is angry and fed-up of being ignored. She will turn into a drunk, unhappy, & flirty villain.

She puts Chris in his place, and bravely tells him that she likes him, not his arrogant villain.

They are both shy, but it seems they might get together!

Buddy

Next Buddy will use the loop pedal to make villain sounds.

He will turn into powerful villain who will control the other characters using his voice in the microphone.

Isabella tries to resist Buddy, but he overpowers her.

Everyone is a bit scared of Buddy's villain. The game doesn't feel fun anymore.

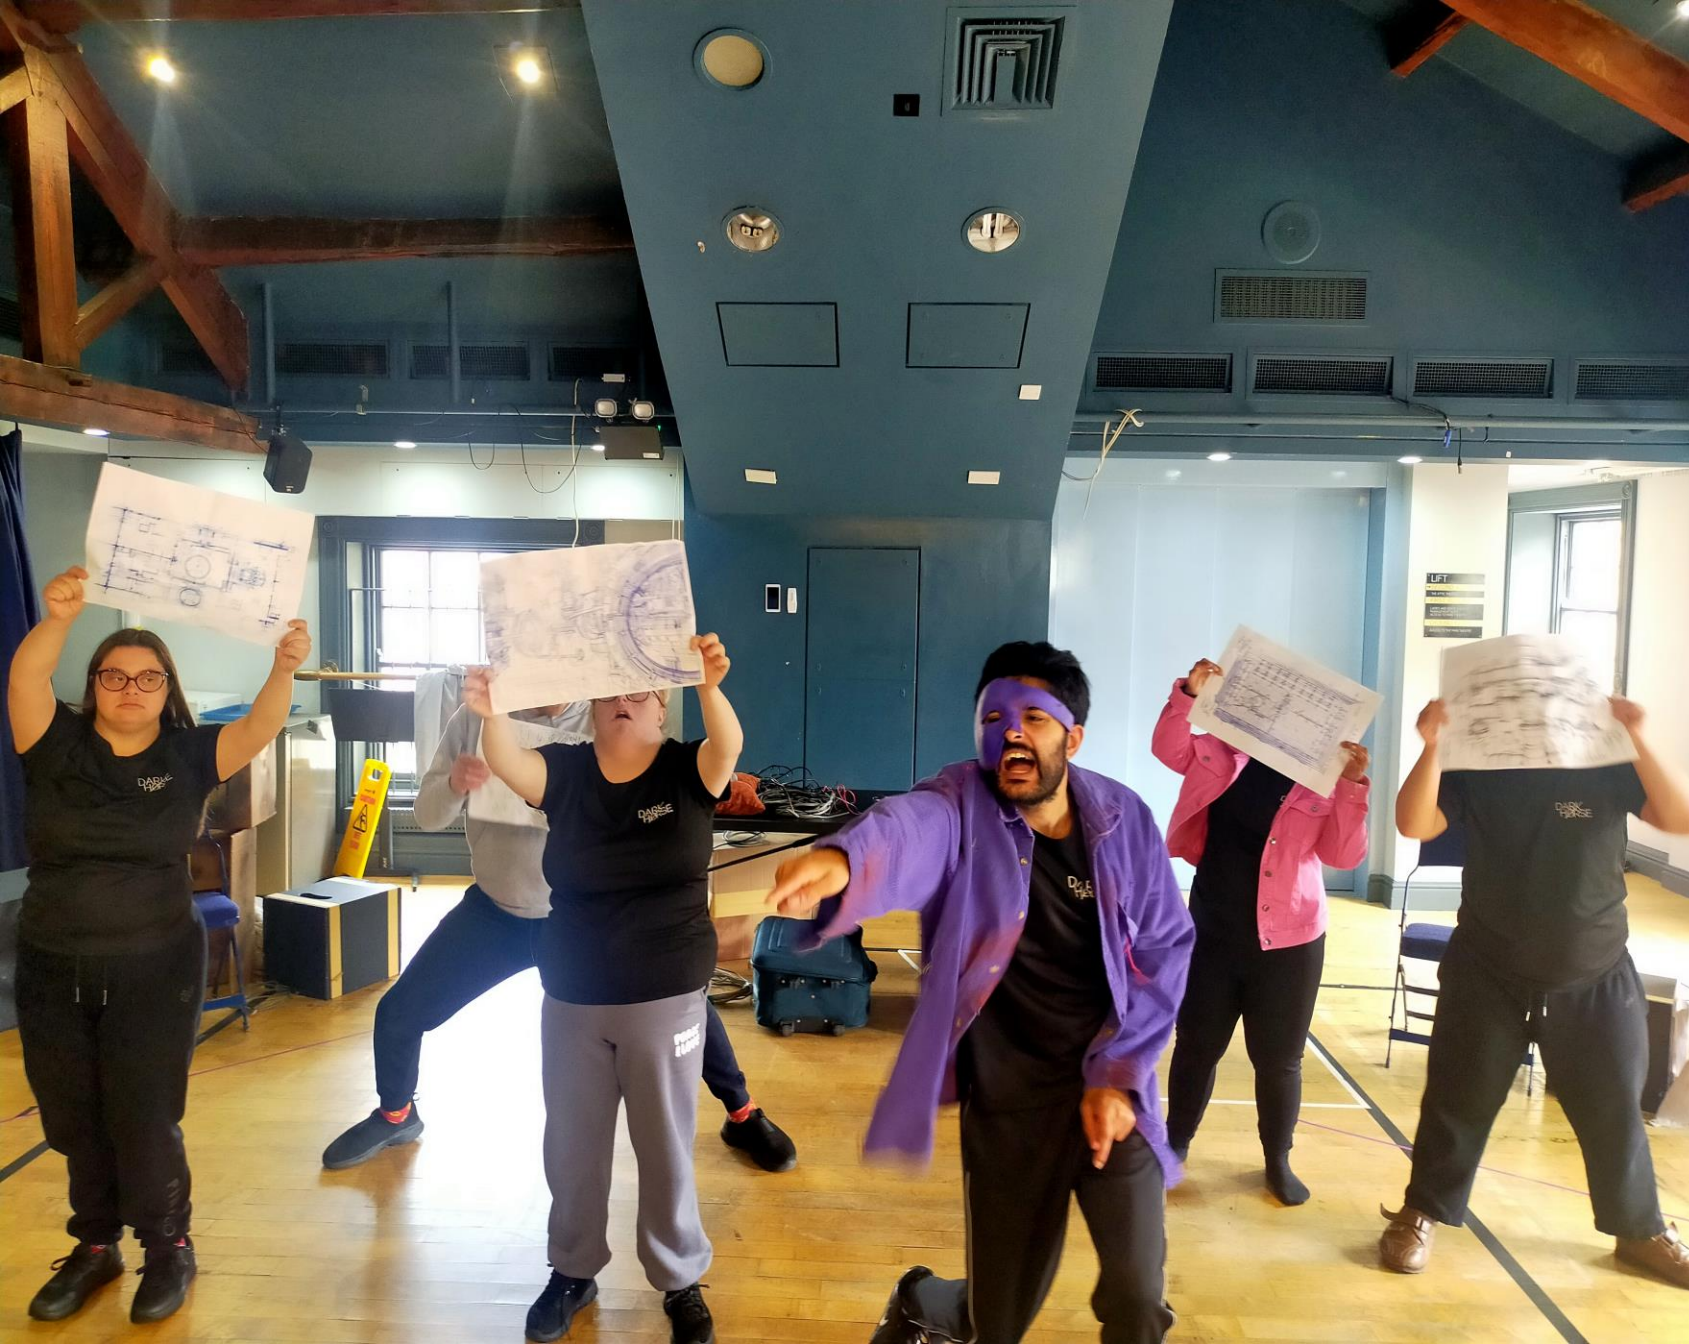

Nikki

It's Nikki's turn to be a villain and she refuses.

She has watched how scared everyone was of Buddy's villain.

She thinks it is too dangerous and she wants to stay perfect.

George

George's villain goes last.

He turns into a crazy villain who starts plotting revenge.

The gang are scared of this villain too, and they try to bring back George.

However, it is too late, his villain is too powerful. It makes George lose his mind.

Nikki

The Gang need Nikki's help to bring George back.

Nikki will draw everyone's voices together, so the gang is working as a team again.

They use their power as a team to fight George's villain.

Saving George

The gang pull George's villain back into the space.

As a team, the gang protects him.

They restores his soul and heart.

He is back to normal George, but he is shaky.

The End

The gang gather and reflect on their journey.

They turn to the audience.

Maybe at the next meeting the audience can explore what their villain would be like?
