Technical Rider- Waterside Arts. Chambers space.

Main Entrance-

The main entrance doors are on the first floor reached via a ramp. Temporary parking for access only is available off the main road. Access for larger vehicles is available behind removable bollards but is on a slight gradient.

On entering the building the first floor can be reached by double width staircase and the lift immediately on your right. The lift dimensions are;

Doors- 0.8m (W) x 2m (H)

Dimensions of lift cart- 1.02m (W) x 2.2m (H) x 2.09m (D)

The Studio – Dressing Room

This room is 9m (W) by 5.9m (D) with natural daylight and fitted with blinds. It has direct access to the Chamber performance space and can be used as an entrance.

A portable mirror and clothes rail will be provided.

The main corridor also provides access to the Robert Bolt theatre space and male, female, shared and disabled toilets.

Chambers

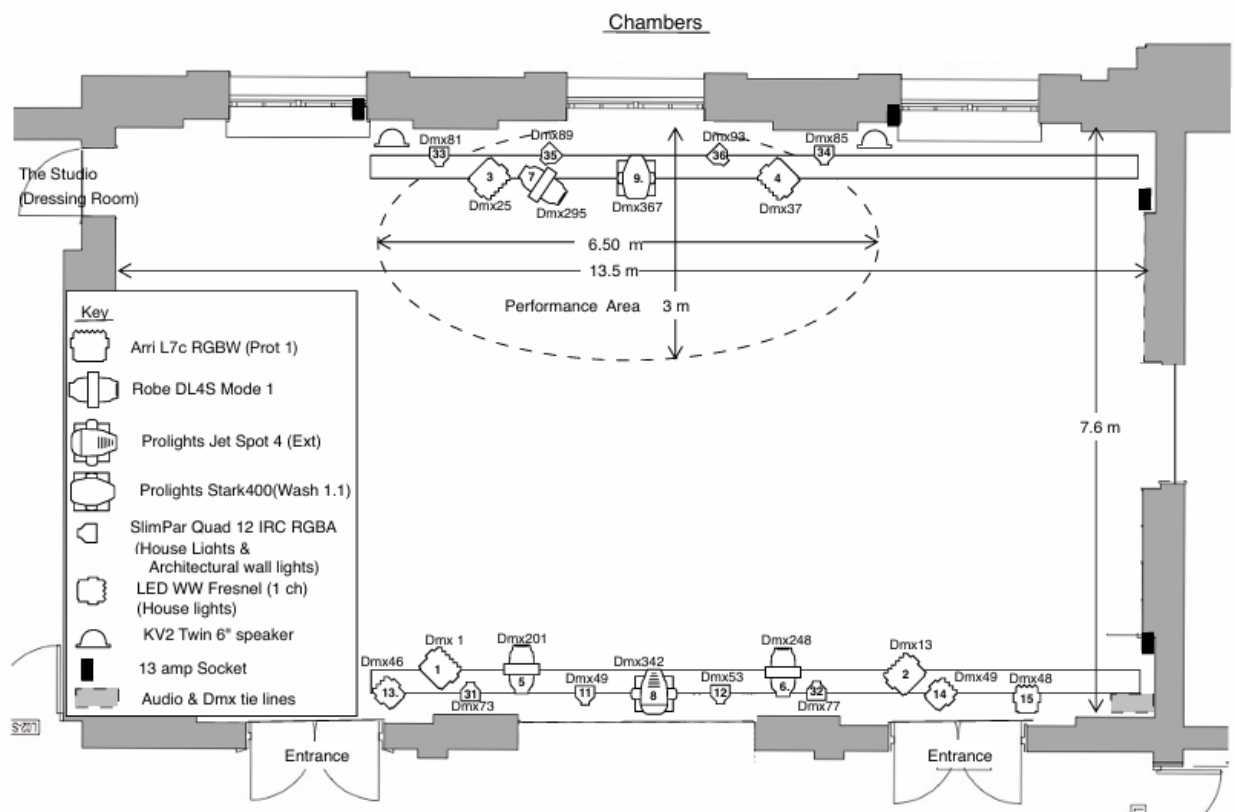

The old Council Chambers main access is via two double doors and a removable panel which is 2.4m (W). The room is 7.6m (W) by 13.5m (D) and in traditional wood finish including parlay floor. There are three main windows which are fitted with curtains which provide good darkness. The room's ceiling is approximately 6.5m high with three large light fittings hung below. The floor height to the bottom of these light fittings is 4m. The room is also fitted with 3 twin 13 amp sockets and 2 Cat 5 sockets.

Lighting

A 10 metre truss hangs along the length of the room on each side.
